

Sponsorship:

In addition to exhibiting your products, *or even if you are not able to attend the conference*, please consider sponsorship of conference events as another means of conveying your message to attendees. These events are well attended and sponsors generate a great deal of goodwill through the provision of such amenities. Companies that want to be in the lime light of the Association and receive special recognition for their level of participation at the conference should fill out the Sponsorship Form and return it as soon as possible. **Signage denoting sponsorship will be provided at all events.**

Door prizes:

If you cannot join the sponsors, but want to provide a nice door prize, during the training sessions or at the Mexican Fiesta, please indicate that on your application, so we may plan accordingly.
